Battery Operated Cabinet Lock with Access Control

RCI's 3 Series battery operated "Lock-in-a-Box" makes installation easy by eliminating the need for a power source in situations where power is not available or difficult to acquire.

The new 3511 battery operated cabinet lock comes ready for a variety of applications. Convenient built-in iButton® key management makes for easy programming, while the battery provides up to 350,000 operations (low battery warning included). With 180lbs (82kg) holding force this versatile cabinet lock is ideal for lockers, carts, displays and cabinets.
